NEW YEAR'S EVE 2007 MEDITATION TO THE NEW YEAR

“THE ENERGY SHIFT 2012”

CHANNELING FROM THE NEW YEAR'S EVE RETREAT 2007/08

ST. GERMAIN

This is ST. GERMAIN being present, we greet you!

We are very pleased to see you gathered in this room, as we see a certain readiness for change.

The QUALITY OF ENERGY of the New Year, that you will greet soon, shows processes of CHANGE and RELEASE in the collective. You will, already in the first months of the year, experience that certain challenges will come up to meet your community and your social system. But we do not want to anticipate events or occurrences to come.

We tell you today that the next coming years will launch major COLLECTIVE CHANGES as Human Kind must make a decision, in which QUALITY OF ENERGY it wants to be in by the year of 2012. As the YEAR 2012 brings to an end a major COSMIC CYCLE in order to change into the SPIRAL ENERGY of a NEW COSMIC CYCLE this will initiate an ENERGY SHIFT. Ancient writings of yours already had indications about these changes. But we tell you today that the changes will not occur in the way the “OLD SEERS” had foreseen them to happen. At the time of their prophecies they could not anticipate these events with their limited knowledge of the time quality. What we inform you of today will be of major meaning for Human Kind.

During the transfer into the COSMIC CYCLE in the YEAR 2012, TWO ENORMOUS ASTRAL GATEWAYS will open up, in order to lift your third dimensional, PLANETARIC CONSCIOUSNESS into a HIGHER FREQUENCY with an ENERGETIC PULLING EFFECT.

This event will create so called **SHIFTS OF FREQUENCIES** in a matter of a relatively short period of time and this can lead to major **PANIC MOMENTS** for those people that have not developed in a specific matter. In the time to come it will consequently be necessary for everyone on this planet to **CLEAR** and **CLEAN** and herewith **REDEEM** collectively.

Once the **ENERGETIC PULLING EFFECT** has begun, the old **KARMA PROGRAMMES** will explode which can lead to **EMOTIONAL OUTBREAKS** that can further have a collective effect.

Already today we give you the information that the transfer into the Year 2008 - that indicates a **NEW BEGINNING** with the **NUMBER ONE** – to give Human Kind the chance to adjust to these major **CHANGES OF ENERGY**. Once the two **ASTRAL GATEWAYS** – that describe the **SYNAPSE** of a correlating correspondence – open up to connect their fields of energy, a kind of **HIGH VOLTAGE FREQUENCY BRIDGE** will be created which will have certain consequences for this planet.

This is an **ACT OF BIRTH** – it is the **ACTIVATION** of a higher frequency in the **INNERMOST** of the **BEING GAIA**, your beloved Earth. In this **FREQUENCY BRIDGE**, that begins building up between the **TWO ASTRAL GATES**, certain incidents will occur which can lead to **FIELDS OF TENSION** on a collective level. Human Kind does not have much time left to prepare itself for the arrival of higher Energies on this Earth. Until that moment Human Kind has a lot of clearing and cleaning to do. So we're very delighted to see you all gathered here, as we know, that you have already **PUT YOURSELF IN POSITION TO GROW**. We therefore want to encourage you tonight to plunge into the **DEEPEST LAYERS** of your **KARMA THEME** to bring out all those patterns you want to see off for good.

The **QUALITY OF ENERGY** of the **NEW TIME** will not allow any compromises. This we tell you today with great respect and deep love. We neither want to irritate nor frighten you. We want to, first of all, encourage you to go on and grow, to ascend to **AUTONOMOUS FULLY DEVELOPED LIGHT BEINGS!**

ST.GERMAIN is present, we greet you!
